EDUCATION

Audencia Business School Nantes, France

Bachelors in management (Sales, Economics, Finance, Data Analysis, Project Management, Marketing, International Trade)

WORK EXPERIENCE

MakiPeople Paris, France

Sales Ops & Enablement *Feb 2026 - Jul 2026*

- Became sole owner of Maki's enterprise demo pipeline, resolving the Sales Enablement team's core sales-cycle bottleneck by delivering 60+ AI hiring proof-of-concepts for Nike, EY France, Barclays, BCG and PwC across 10+ industries.
- Expanded impact beyond demos: contributed to 6 enterprise RFP/RFI tenders (NatWest, Mastercard, Nike, Decathlon, Thales, Wayfair) and created competitive battlecards, one-pagers and a 17-step SOP now used team-wide.
- Earned full autonomy to work directly with Account Executives and senior stakeholders within 8 weeks, then led a Q2 GTM initiative to automate demo prep to cut build time to under 30 minutes and free ~1 FTE per week for deal execution.

Alu-Cab Ulaanbaatar, Mongolia

Project Development (B2B, B2C) *Jun 2025 - Aug 2025*

- Managed portfolio of 50+ clients, strengthening long-term relationships and negotiating contracts that drove an increase in quarterly sales revenue.
- Conducted market analysis to identify growth opportunities, positioning new product lines to expand market share in the premium automotive segment.
- Collaborated with the operations team to streamline order and delivery processes, reducing client turnaround times.

Seeking Alpha U.S (Remote)

Financial Analyst *Mar 2025 - Aug 2025*

- Authored Super Micro Computer (SMCI) stock analysis that ranked #1 on Google, driving significant organic readership and visibility among retail and professional investors.
- Published 7+ equity research articles, combining financial modeling, operational analysis, and industry trends to support investment theses.
- Built independent valuation models and assessed management strategies, ROIC trends, and free cash flow generation to evaluate long-term value creation.

KPMG Mongolia Ulaanbaatar, Mongolia

Audit Intern *Jan 2024 - Mar 2024*

- Conducted audits for multinational clients (Huawei, Japan Airport Management), preparing 150+ working papers and improving compliance accuracy.
- Verified $50M+ in client cash balances by coordinating with five major Mongolian banks, ensuring reconciliations were completed ahead of deadlines.
- Assisted in consolidation of Tavan Bogd Group's statements (Toyota, KFC), reviewing $250M in revenues and enhancing reporting reliability for stakeholders.

VOLUNTEERING EXPERIENCE

Bureau des Internationaux (BDI) Nantes, France

Events & Partnership Coordinator *Mar 2025 - Present*

- Orchestrated large-scale events for 200+ participants, overseeing end-to-end logistics, vendor coordination, and on-site execution to ensure a flawless guest experience.
- Built and managed partnerships with key sponsors and brands, aligning objectives, negotiating deliverables, and creating lasting collaborations that strengthened event reach.
- Developed structured planning systems and post-event reports, improving cross-team coordination.
